6	Spelling out Maths or English (up to 30 mins) in Spag.com out (10-30 mins dep on task)			Spelling in Maths or English out	Spag.com in

- Reading – children are expected to read at home as often as possible. Reading should be noted in planners – by the pupil wherever possible.
Children who read:
3 times per week will receive one Star Point
5 times per week will receive two Star Points
6+ times per week will receive three Star Points
NB. Planners MUST be signed by parent/carers (weekly) to receive the points.
- ‘Maths in Minutes’ is sent home every day. This is intended as no more than 5-10 minutes problem solving which children will follow up in class the following day. It is expected that children will spend a few minutes on this on most days.
- Spag.com is a computer based Spelling, Grammar and Punctuation activity. This is now used in Y6 and Y2. School will consider its extension to other year groups in 2018
